

GNE Paint Centers

At Huntington Bank, we see something big happening in Michigan. This is Jim Dunlap. Welcome to Huntington's Best in Business. Investing in and retaining employees helps businesses thrive. Take for example, G-N-E Paint Centers in Hazel Park and Lake Orion. Owner, Norm Brideau has created an experienced sales team, and invested heavily in their development. Today, they bring decades of expertise to every project. Detroit metro businesses have relied on G-N-E Paint Centers for automotive and architectural coatings since 1962. Collision shops, dealerships, display companies...even production companies for Michigan's film industry, find the perfect hues for every application at G-N-E. At Huntington, we're big believers in helping Michigan shine. So when G-N-E Paint Centers came to us for help, they knew they were getting a bank that would stick by them, every step of the way.
